

150 Mile First Day Procedures

Students and parents, to start the school year we will plan to get student into their classes with their assigned teacher right away. Class lists will be posted at the main doors the afternoon of Thursday, September 3rd if you would like to know your child's teacher and classroom number. Take note, class lists may change due to conditions that may arise at the beginning of the year that require a rebalancing of classes.

On the first day of school **all students will meet at the back of the school** and called into each of their classes. Once each teacher has their class, they will take them into the school and get them settled. If the weather is rain, we will bring all students into the gym to organize them. Class lists will be posted and called out to help students find their teachers.
