Parent Teacher Interviews

On October 21st and 22nd, the school will be dismissing students 1 hour early (1:05pm dismissal) to help provide time for teachers to hold student led parent-teacher conferences. Student led conferences will start with students show casing their work followed by

a short teacher discussion (approx. 5 min) afterwards. Should you want or need more time to discuss your child's learning please talk to the teacher for a follow up meeting. If these days do not work, please ask for an alternate meeting date that is mutually convenient. We will also have a Book Fair in the Library for that week (Monday-Thursday) come check out the great books for sale.

Calling in Absences

At 150 Mile Elementary we feel regular attendance is a crucial component for school success. If students are ill or cannot attend for any other reasons, parents or guardians need to notify the School Messenger system at 1 (833) 582-6944, using the phone app, or calling the school. <https://go.schoolmessenger.com> Poor attendance can be directly linked to poor school performance, please do everything possible to ensure your child attends school regularly.

Pumpkin Patch

Our annual Pumpkin Patch will be in the morning on Tuesday, October 28th. Depending on class decisions students may be carving or decorating their pumpkins at the school. If you would like to help out connect with your child's class for details.

Parents Advisory Committee (PAC)

A strong relationship between the school and parents is very important in a child's education, and one way of being involved with the school is to be a member of the PAC. Through a PAC's dedication and hard work they are able to provide many "extras" for students throughout the year. We are hoping that the same will be true this year, The PAC always welcomes new members, come join the 'family'!
